

E. The chilling requirement has now been inserted at the end of the specification on page 6.

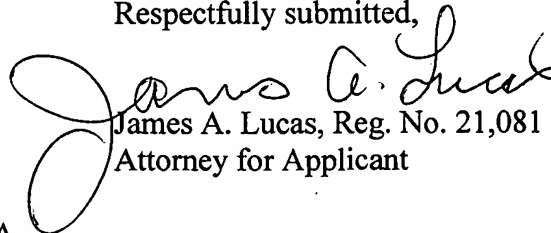

F. The claim has now been reworded per the suggestion of the examiner.

REMARKS

Applicant is pleased to submit herewith a marked-up copy of the captioned application in which the subject matter that is being added is shown with underlining and any material that is being deleted is shown with a strikethrough. Also included is a clean copy of the application. The attention of the examiner is directed to the fact that the pagination and lineage of these revised copies may not precisely conform to those of the specification as filed.

Applicant respectfully submits that the application has now been amended in a good faith effort to overcome the objections based on 37 CFR 1.163(a) and 35 USC 112 (1st Par). It is believed that the application is now in condition for immediate allowance. In the event there are any remaining issues that can be resolved by telephone or E-mail, the examiner is encouraged to contact the undersigned.

Respectfully submitted,

James A. Lucas, Reg. No. 21,081
